POWER HOUR

Need homework help, or just need some peace and quiet to get it done? Monday-Thursday, 4-5pm is Power Hour. Staff and tutors are always ready to help with the tough stuff, with the goal of raising academic proficiency in teens and tweens.

IMAGEMAKERS with Mr. Ryan

The ImageMakers National Photography program encourages members to learn and practice various photography methods. To enable youth to develop their creativity and cultural awareness through the appreciation of photography and provides teens the opportunity to express themselves creatively, build confidence and learn new skills.

JR. STAFF with Mr. Garrick

Get your hands on career experience by applying for "jobs" around the club. Start with the application and interview process and you can earn Club Bucks by working and helping others. Young people who have opportunities to serve others in their club and communities realize many benefits in terms of knowledge, skill building, career exploration, and character development.

C.B. STORE with Mr. Ryan

Teens will gain useful knowledge and skills on various aspects of financial literacy, including budgeting, saving, entrepreneurship, tracking sales and running a small business. Teens can apply what they have learned to volunteer experience through managing the Club Buck Store.

CLUB BUDZ with Mr. Garrick

Use your awesomeness to mentor younger members in Club Budz. Get things off your chest during discussion time, learn to problem solve for rough situations and become a positive role model for your little buddy.

Claymation with Miss Malia

Clay Tech is a fun, hands-on introduction to clay animation that anyone can do. Over the course of eight missions, members will work in groups to create storyboards, build characters, film and edit their own movies. The Clay Tech clay animation program will provide Club members with an educational, engaging and fun experience, exposing them to the art and science involved in creating animation.

FINE ARTS EXHIBIT with Miss Malia

Club members can take part in the National Fine Arts Exhibit which is designed to enable them to develop their creativity and cultural awareness through visual arts. The exhibit has ten categories including monochromatic drawing, multicolored drawing, pastel, watercolor, oil/acrylic, print making, mixed media, collage, sculpture and group project.

CLUB BANK with Miss Malia and Pacific Continental Bank

Learn about the banking institution while we work with professionals to startup our own Club Bank, where members can deposit their Club Bucks, earn interest, and write checks.
