Volunteer opportunities at the BGC are fun & rewarding! Read more to learn how to get involved.

**MENTORING:** Many of our members are in need of positive role models and would benefit greatly from the individual attention of a caring adult. A mentor is paired with a club member and meets with them on a weekly basis.

**TUTORING:** A tutor is paired with a club member and meets with them one-on-one on a weekly basis. Some goals our tutors have include homework completion and developing positive attitudes toward learning.

**PROGRAM ASSISTANT:** Volunteers are needed to engage small groups of members in daily program activities in our education, art, technology, social recreation, and sports/fitness rooms.

**SPECIAL INTEREST:** Do you have a skill, talent or hobby that you believe would benefit our club? Become a Special Interest Volunteer! Design and run a program of your very own .

**COACHING:** We offer intramural sports during the year and need volunteers to coach for our teams.
